

## Harrison Family Memorial CTE Scholarship

(Top photo: Richard Harrison, 1971 Kumtux, Bottom Photo: Bob Harrison)

The Harrison Family Memorial CTE Scholarship is established in the memory of Richard Harrison, an SWHS alum, who was recognized by his CTE classmates and fellow FFA members as a hardworking and dedicated young man.

Richard was a 1971 graduate of Sedro-Woolley High School.

His father, Bob Harrison, served on the Sedro-Woolley School Board for many years. As a father and school board member, Bob had the honor of presenting his son, Richard, his high school diploma.

Several hours after graduation, the Harrison Family received a call that Richard had been in a tragic car accident. He passed away several days later at the age of 17.

The result of this tragic accident has provided inspiration and opportunity to many other Sedro-Woolley High School graduates.

In this spirit, the Harrison Family is determined to continue offering this scholarship in memory of Richard to an outstanding SWHS graduate hoping to further their education and enhance their skills towards a successful future.
