*Sedro-Woolley Alumni & Schools Foundation -  
2023 Quarterly Newsletter*

**Jump Into Fall!**

Dear Cubs, Alumni, and Foundation Supporters,

As we transition from a sun-soaked summer into the warm hues of autumn, it's time to catch up on all the fantastic happenings at the Sedro-Woolley Alumni & Schools Foundation. Our journey through the 2023-2024 school year officially began last month on September 5th, and since then, we've been buzzing with excitement and gratitude.

At our recent Directors' meeting on September 15th, we were presented with a truly incredible gift. The highlight of the day was the generous \$50,000 donation from the Harang family, dedicated to sustaining the Ola & Marian Harang Scholarship Fund for many years to come!

Homecoming week at Sedro-Woolley High School is currently in full swing, with anticipation building for the big football game tonight against Lakewood High School at 7pm, followed by the Homecoming dance at SWHS on Saturday. It's a time of celebration, reunion, and an outpouring of school spirit that serves as a reminder of the enduring sense of community we all share.

As the leaves begin to fall and the air turns crisp, we want to thank all of you for your unwavering support and enthusiasm. We're grateful for each of you who has played a role in our journey and supporting us to create lasting impacts for our children and schools.

Stay tuned for more updates and exciting news from the Sedro-Woolley Alumni & Schools Foundation in the coming months. As always, if you have announcements or information to share in our upcoming newsletters, please reach out to us at [info.swasf@gmail.com](mailto:info.swasf@gmail.com). We look forward to hearing from you and cheering on the Cubs!

Warm regards, Sedro-Woolley Alumni & Schools Foundation - Board of Directors

### **BEHS Tigers & SWHS Cubs Support Students Together!**

At the BEHS and SWHS Football game on Friday, October 6, 2023, under the Friday night lights at Kirkby Field, a special drawing was held during halftime for a fun raffle basket assembled in support of the Sedro-Woolley Alumni & Schools Foundation.

The Burlington-Edison Alumni Foundation - Dollars for Scholars, known as B-EAF, orchestrated this initiative with a strong sense of camaraderie and friendship, ultimately raising a generous sum of

\$330, with these proceeds being dedicated to our organization, the Sedro-Woolley Alumni and Schools Foundation. The lucky winners of this Cub-themed prize were Keith and Cyndi Sorestad!

A heartfelt thank you goes out to David Bricka, Class of '77, and Barbara Bricka Gurney, Class of '75, for their invaluable contributions to this fantastic cause. The raffle basket was not only a symbol of unity but also a testament to the enduring spirit of these communities and their unwavering support for their alumni and schools.

## Classroom Grant Success!

We are excited to share that the Cub Club Preschool at SWHS just got a fantastic upgrade thanks to a classroom grant from the Sedro-Woolley Alumni & Schools Foundation! 📖🌟

With the grant funds, Teacher Rogene Gwinn has transformed the 2nd floor of the C building into a sensory wonderland for our little Cubs 🤍 at the Cubs Early Learning Academy. 🌈🌟

The Cubs Early Learning Academy has been an essential part of our community for over 40 years, adapting and growing alongside our curriculum. It's now a valuable lab class for our Child Psychology program, providing students with the opportunity to apply their knowledge in a real-world setting. 📚

## Ola & Marian Harang Scholarship

Ola Harang was born in Norway and moved to Concrete with his family when he was fourteen. They later moved to Sedro-Woolley where he attended school, played football and met his high school sweetheart Marian who was born and raised in Sedro-Woolley.

They both served in the Army during WWII and were married in 1946 upon completing their military service.

Ola worked in the logging industry in the area until 1959 when they moved to Sitka, Alaska. Upon retirement in 1988 they moved back to the area that they always considered home and built their home on Lake Samish.

They were always active in youth activities and supported them in every way they could. Ola and Marian felt strongly about the practicality of a vocational/technical school education thus the scholarship in their name is presented to students pursuing that goal.
