

John & Arlene Eastman Family Scholarship

John and Arlene were both raised in the community, graduating from Sedro-Woolley High School, as well as their son, Shawn.

John retired from Georgia Pacific Corporation, after 34 years and Arlene retired from the Sedro-Woolley School District after 19 years. Being active in the community they decided to create a scholarship in their family's name to continue their focus of giving back.

This scholarship is for a student that is a graduating senior and/or alumni of the Sedro-Woolley High School focusing on

Vocational Education. It is available on a yearly basis with a renewal option for completion of the individual program requirements. The scholarship also includes tuition and supplies that are needed to begin a career in their chosen field.

The John & Arlene Eastman Family Scholarship was established and first awarded in the Spring of 2023.
